OUR PROMISE

Providing SEO services to Chicago businesses and eCommerce stores since 2008

Average results generated for our clients

2.5x 120% 70% 35%

Increase in SEO Traffic	Increase in PPC Revenue	Sales Qualified Leads Increase	Conversion Rate Increase
----------------------------	-------------------------------	---	--------------------------------

We started to work with Comrade Digital Marketing in 2015. Since then, with Google, we achieved Top local SEO results for 100+ clients. Our conversion rate improved from 1.06% to 2.26%.

Now, after 12 months, we increased the total amount of leads by 120% and we haven't been using adWords for a long time.

I highly recommend this company! They provided what I would

Chicago SEO Services Include

Local SEO

Whether you're a brick-and-mortar business or simply service the Chicago area, our experts will get you ranking for coveted "near me" searches, sending high-intent customers your way.

Keyword Research and Analysis

An essential part of your SEO strategy is keyword research and analysis. Staying up-to-date on the trending keywords in your industry is imperative to getting your content in front of the right audience and increasing your organic traffic.

Content Marketing

With channel-specific content marketing strategies, you can form a connection between you and your audience. This connection will lead to improved organic traffic and recognized brand awareness.

On-Site and Off-Site Optimization

Our experts are able to implement both on-site and off-site optimization like link building, metadata, title tags, and more.

B2B SEO

B2B SEO is a whole different ball game than B2C, local, or international SEO. From creating buyer personas to optimizing your landing pages, there is a lot of work to be done, and our team of experts are ready to help.

Lead Generation SEO

Ignite has worked with hundreds of lead generation companies and knows the intricacies of working with this type of business. We have the skills and knowledge to get your website ranking, converting, and getting those leads in.
